Muhammad Mahmoud Fayez

Senior Data Annotation & Labeling Specialist | Workload Assignment Supervisor | TPO Offshore Trainer

Cairo, Egypt | muhammadmahmoud960@gmail.com | +20 115 341 3221 | Portfolio

PROFESSIONAL SUMMARY

Results-driven Senior Data Annotation and Labeling Specialist with 3+ years of experience powering AI, machine learning, and autonomous vehicle programs through high-precision annotation, rigorous quality assurance, and workflow optimization, sustaining 99%+ accuracy at scale. Proven operations leader who manages cross-functional, multi-shift teams and delivers measurable results: **30% fewer project delays** and a **22% improvement in dataset accuracy**. Skilled builder of automated reporting systems and dashboards in Google Sheets and Google Apps Script that turn operational data into faster, better decisions.

PROFESSIONAL EXPERIENCE

Micro Engineering Tech Inc. | May 2023 – Present

Workload Assignment Supervisor *Oct 2025 – Present*

- Lead the Workload Assignment team across all shifts, ensuring seamless handovers, balanced task distribution, and uninterrupted queue coverage.
- Reduced project delays by 30% by introducing capacity planning and performance optimization strategies.
- Track team performance, queue movement, and operational priorities through real-time dashboards and reporting systems.
- Design and maintain internal tracking tools in Google Sheets and Google Apps Script that automate reporting and improve process visibility.
- Drive operational planning through data analysis, capacity management, and workflow improvement initiatives.
- Train and coach 25+ team members through SOP alignment sessions, strengthening productivity, accuracy, and cross-shift consistency.

Workload Assignment Specialist *May 2024 – Oct 2025*

- Coordinated daily task allocation across multiple client queues and AI projects, keeping delivery on schedule.
- Improved operational efficiency by 30% through data-driven capacity planning.
- Built dashboards and trackers for performance monitoring and management reporting.
- Contributed to workflow improvements and team training initiatives.
- Produced reports, documentation, and presentations using Google Workspace.

Quality Control Lead *Oct 2023 – May 2024*

- Led quality assurance for AI and autonomous vehicle annotation projects.
- Raised dataset accuracy by 22% by performing root cause analysis on recurring labeling errors.
- Designed and implemented QA frameworks and validation processes for high-impact projects, including Cruise AV.
- Partnered with teams to raise quality standards and eliminate recurring issues.

Data Annotation Specialist *May 2023 – Oct 2023*

- Delivered 800+ high-precision 3D annotations per day on LiDAR and radar datasets.
- Consistently exceeded productivity targets, reaching 120%+ while maintaining exceptional quality.
- Applied complex labeling guidelines to edge-case scenarios with high accuracy.
- Worked with ML teams to refine labeling guidelines and improve model performance.

CORE COMPETENCIES

Operations Leadership:
Workload Assignment • Capacity Planning • Multi-Shift Team Management • Training & Coaching • SOP Development

Quality & Annotation:
3D, LiDAR & Radar Annotation • Quality Control & Validation • Edge-Case Review • Root Cause Analysis

Analytics & Automation:
Dashboard Development • KPI Reporting • Performance Monitoring • Google Apps Script • Workflow Automation

EDUCATION

Bachelor of Arts *2017 – 2021*
Ain Shams University, Faculty of Arts | Grade: Very Good

TECHNICAL SKILLS

Annotation & Labeling: 3D Annotation, LiDAR Labeling, Radar Labeling, Dataset Validation, Quality Assurance, Edge-Case Review

Operations & Reporting: Workflow Monitoring, Capacity Planning, Performance Tracking, KPI Reporting, SOP Improvement, Root Cause Analysis

Automation: Google Sheets Automation, Google Apps Script, Semi-Automated Workflow Design, Dashboard Creation, Reporting Optimization

Google Workspace: Sheets, Docs, Slides, Sites

Other Tools: Microsoft Excel, Word, PowerPoint

Annotation Platforms: GULP Suite, Supervisely, Quality Metrics Tracking Tools

LANGUAGES

Arabic – Native **English** – Professional working proficiency
